

## Woodside Warriors Tennis Club

Hot Shots is a fun way for kids aged 3 to 8, to learn how to play tennis, on the right size court using racquets that are perfect for small hands.

Lessons run for 30 minutes. Using modified equipment, lessons demonstrate learning through play and teach skills for life such as agility, flexibility, balance and speed. Lessons will keep kids constantly involved with lots of cooperative partner activities used to challenge kids to improve their skills every week. It's recommended that you come to your first lesson in comfortable clothes, sneakers, hat and a water bottle. A racquet will be supplied.

If you would like to play Hot Shots tennis this season, we encourage you to register with our coordinator or online. Limited places are available.
